4-H club news

By ROBERT COLEMAN

Mrs. Berryman's 4-H Club met on Monday, March 9, 1981. Randall Ferguson, the president, called the meeting to order. Laquetta Robinson led us in the pledge to the American flag. Michael Ford led us in the 4-H Pledge. Sheri Williams read the minutes of the last meeting. Mr. Sweet told about 4-H demonstrations to be held March 28. Many special workshops will be held this month to help students get ready for demonstrations.

Mrs. George's 4-H Club

By LISA ROBERTSON

Mrs. George's 4-H Club met on Monday, March 9, 1981. Mr. Sweet came and talked to us about cold air getting into your house and how you can stop it. He passed things around that can help us keep cold out of your house. Next he talked to us about bird houses that would sell for $1.25.

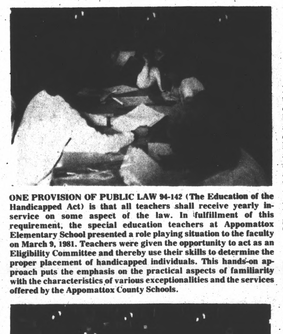
Mrs. Gregory's 4-H Club

By TERRI HAMLETT

Our president, Keshia Haskins, called the meeting to order. The recreation leaders led us in a game called "7-Up". The secretary read the minutes back to our class. Mr. Sweet gave some of the class different projects. 4-H Camp is going to be June 15, 1981 and it will cost $40 to stay there for five days. Mr. Sweet talked to us about Demonstrations and Illustrated Talks. The president, Keshia Haskins, adjourned the meeting.

By MARY BETH DRINKARD

Mrs. Davis' class had a 4-H meeting. Our meeting began when our Presideht asked Amy Mann and Jill Hudson to lead us in our pledges. Then Mr. Sweet talked to us about a very important subject. He talked to us about saving energy. He used four words to teach us about it. He used infiltration, conduction, insulation, and creosote. Energy is so important in our lives. Conserving is so necessary. The topic of the lesson was so important to us. Mr. Sweet presented it in a very interesting manner. Then our meeting was adjourned.



ONE PROVISION OF PUBLIC LAW 94-142 (The Education of the Handicapped Act) is that all teachers shall receive yearly inservice on some aspect of the law. In fulfillment of this requirement, the special education teachers at Appomattox Elementary School presented a role playing situation to the faculty on March 9, 1981. Teachers were given the opportunity to act as an Eligibility Committee and thereby use their skills to determine the proper placement of handicapped individuals. This hands-on approach puts the emphasis on the practical aspects of familiarity with the characteristics of various exceptionalities and the services offered by the Appomattox County Schools.

SIXTH GRADE STUDENTS involved in the Gifted and Talented Program at the Appomattox Elementary School recently built a futuristic model city. The city included a Nuclear Power Plant, shopping center, school, residential housing, a futuristic zoo and monorail transportation system. The students have been studying city planning. The study will continue with the help of resource persons in the community such as Bill Britton, town manager.

AES planning resource person catalog here

Appomattox Elementary School is organizing a resource person catalog. The catalog will assist the instructional staff in providing an interesting presentation relative to current classroom studies.

What can you do to help? Easy. Simply list below the names of people, addresses, phone numbers, if possible, who have interesting occupations, hobbies, travel experiences, skills and talents. Do not omit anyone who you feel would be interesting to our students.

Once the information is gathered names will be classified according to subject area and the final compilation distributed to all classroom teachers. Community organizations and individuals may request a copy of the catalog from the Elementary School.

AMS news notes

Students at Appomattox Middle School are working through their various clubs to control litter and beautify the building and grounds. At AMS a contest is being held in which each club has chosen an area to keep clean and make more attractive. Near the end of the school year areas will be judged and cash prizes will be awarded to winning clubs. This money will be used to carry out club activities. Funds for the contest were made available through a grant from the Virginia Litter Control Commission.

An appreciable number of parents attended the coffee hour held at Appomattox Middle School in the library on March 5. The Annual School Plan was discussed and questions were raised. This was a very informative meeting and a number of parents volunteered to serve on various committees concerning the Annual School Plan.

Mrs. Foster is grateful to the parents for attending.

'Annie' slated

"Annie Get Your Gun," a musical comedy by Irving Berlin, will be performed by the Senior Class at Appomattox County High School on March 27, 28, 1981.

The musical stars Annie Oakley, a famous sharpshooter, and Frank Butler, with whom she falls in love. The plot centers around their rivalry to be the star of Buffalo Bill's Wild West Show.

Berlin's Musical is based on the life of the real Annie Oakley - Phoebe Annie Oakley Moses (sometimes called Mozee). The real Annie Oakley had to support her family because her step-father died when she was young. She became a sharpshooter by killing wild game to feed her family. She and the real Frank Butler joined careers and traveled around the world amazing audiences with their skillful feats of shooting until 1901 when she retired.

The production of "Annie Get Your Gun" by the Senior Class began four weeks ago. Over fifty seniors are participating, displaying their talents of acting, singing, and dancing. "Annie Get Your Gun" is being directed by Mrs. Joyce Swan with Miss Shelby Shelton assisting with music and Mrs. Bonnie Hayes assisting with choreography. Miss Billie Brightwell, ACHS teacher, and Miss Kathy Bates, ACHS teacher, are also working with the play.

The Senior Class hopes that the public will attend and support this activity. "Annie Get Your Gun" promises to be an enjoyable musical for people of all ages.

The show features such hit songs as "No Business Like Show Business," "You Can't Get A Man With A Gun" and "The Girl that I Marry."

Mrs. Martin published

Mrs. Carol Martin of Appomattox recently had a short story published in an April issue of Ellery Queen, "The World's Leading Mystery Magazine." The story titled, "A Stranger Calls," is based on her husband's coon hunting experiences.

This is Mrs. Martin's second published story; the first appeared in the same magazine in September of last year.

In addition to writing, Mrs. Martin enjoys life on the farm; "I'm a farm wife . . . that's a bit different from being the usual type wife. There are the bees, cattle and even the two goats we bought for fun, and I enjoy all of it."

She hopes to be 100

Mrs. Irma Coleman Payne was 95 years old on March 15 and hopes she will live to be 100.

She was born in 1886 at Cedar Hill, Prince Edward County, and she moved to Pamplin when she was 19 years old. At 18 and 19 she was teaching English and Math at Bethany College in West Virginia. Then she was married to Walter Payne on December 12, whom she enjoyed life with until his death in 1962. They had four daughters and one son, all of whom grew up in Pamplin but moved to other states when they were married, except Walter Payne, Jr., who remained with his mother and cared for her up to the present time.

The four daughters were: Hallie, the oldest of the girls, married to J. L. Collins; Doris Pfimlin widowed living in Redding, Calif.; Margaret Daniels of San Diego, Calif.; and Nell VanHoose of Michigan and Florida.

Mrs. Payne has had 5 granddaughters and 1 grandson, 8 great-grandsons and 5 great-granddaughters, 2 great-great-granddaughters and 8 great-great-grandsons.

Mrs. Irma Payne has for many years been an outstanding member of the Elon Baptist Church in Pamplin where she sang in the choir and was very active in social and welfare work.

Mrs. Payne has been made an honorary member of the United Daughters of the Confederacy.

The community of Pamplin people all wish her a very happy birthday and hope that she will get her wish.

On ag week

By JAMES A. SMITH
Extension Agent

This week is that special time set aside each year to recognize and salute the story of what agriculture means to America.

For the first time since its beginning in 1973, Agriculture Day has been officially proclaimed a National observance by Congress.

The Times-Virginian and WTTX are assisting with the promotion locally. Agriculture is our most basic industry--food and fiber come from the soil; therefore, the preservation of our soil is a national priority.

* * *

Brucellosis is the major concern in the western portion of the county. Another infected herd was identified in the county last week.

Prevent mixing of cattle, especially bred heifers, with those from herds that have not been tested or are of unknown brucellosis status. Be sure to check the brucellosis status of any animals you purchase. Vaccinate all heifers between the ages of 4 and 12 months of age.

Some tobacco growers have asked about using Di-Syston and Furadan as pre-plant incorporated. The initial reaction is that this is not a basic recommendation. When this is done, the cost of insecticides is doubled. Some growers report that Di-syston is not as effective as it was when first introduced. There have been reports out of the Corn Belt that Furadan is less responsive. I point this out simply to say that the continued use of any one material may bring about resistance. If your experience with either of these insecticides is reduced effectiveness, then you may want to consider talk-anning the two. Two years research at the Southern Piedmont Research Station shows that when the two insecticides are mixed and pre-plant incorporated, a reduction in yield occurs. When the check plot produced 2,600 pounds and was compared to plots receiving the two-way insecticide treatment, they produced 1,550 pounds.

* * *

Dairymen are aware of the problem with excessive iodine in milk. For non-lactating dairy and beef animals, the addition of organic iodide in the salt is useful in controlling foot-rot. Mix one pound of organic iodide (EDDI) with 100 pounds trace mineralized salt and feed free choice.

There are some prepared salt-iodine mixes on the market for this use.

* * *

The Virginia Small Grain Yield Contest is open to all small grain producers this year. There has not been an entrant from this county in prior years. The contest is open to wheat and barley growers. Winner receives a trophy and expense paid trip to the Virginia Crop Improvement Annual Meeting.

The contest area must be at least 2 acres and must be designated by April 15. Call our office (352-8244) and sign up for the contest.

EPA label clearance permits the use of Ridomil on burley tobacco to control black shank. The label calls for broadcast application and incorporated 2 to 4 inches. Ridomil should be used with varieties with some black shank resistance.

First aid class set

The Appomattox County Volunteer Rescue Squad will conduct a Standard First Aid Class beginning on Thursday, March 19 at 7 p.m.

The course, which will be held one night each week at the Squad Building, will last for six or seven weeks. For further information, call Ray Noble at the Travellers Inn Motel.

Senior 4-H'ers are reminded that application for the 4-H Business Management Workshop at Holiday Lake are due in the Extension Office by Friday, March 20. The workshop, which helps teenagers understand the business world, will be held during the weekend of May 8-10.

* * *

4-H families planted 7,000 strawberry plants through a special 4-H program this spring. We hope that the program will be offered again next spring.

* * *

A special spring area Adult Leader Meeting will be held Wednesday (tonight), March 17, in Rustburg at the County Administration Building. The meeting begins at 7:00 p.m. and will be over by 9:00 p.m.

* * *

Many 4-H'ers are preparing for the County Demonstration Contest which will be held on Saturday, March 28, at 9:30 a.m. at Appomattox Elementary School. Several workshops have been held to help 4-H'ers with their demonstrations and illustrated talks. Winners in the March 28 contest will have the opportunity to compete in an area Demonstration program in Rustburg on April 11.

* * *

We are still looking for possible host families for the Wisconsin 4-H group that will be in Appomattox County during the week of July 8-15. Appomattox 4-H'ers will travel to Wisconsin during the summer of 1982.

Robert Nash is honor graduate

Coast Guard Fireman Apprentice Machinery Technician Robert R. Nash, son of Robert R. and Eleanor L. Nash of Route 1, Box 17, Pamplin, Va., was the honor graduate of Machinery Technician School.

The 16-week course was conducted at the Coast Guard Reserve Training Center, Yorktown, Va. Students received instruction on the inspection, servicing and repair of gasoline and diesel engines, hydraulic systems, steam driven machinery, plus refrigeration and air conditioning equipment. Other studies included blueprint reading, welding techniques and job-related safety procedures.

A 1979 graduate of Randolph Henry Senior High School, Charlotte Court House, Va., he joined the Coast Guard in February 1979.

FBLA students cited

The ACHS Future Business Leaders of America captured eight awards at the Spring Regionals held at Longwood College on March 14. The following competitors were cited as winners: Tammy Jamerson 1st in Clerk Typing; Jane Almond 1st in Office Procedures; Penny Wooten 1st in Job Description Manual; Nugene Harvey, Duane Blanks, James Beaty, Sheila Roach, and Patty Roach 1st in Parliamentary Procedures; Jeannette Hipps 2nd in Ms. FBLA; Warren Baldwin 2nd in Business Mathematics II; and Kim Wade 2nd in Public Speaking. The Appomattox Chapter received 3rd in Largest Chapter Membership. There were 424 members representing 22 chapters in 23 events at the conference. The eight first place winners will represent the Longwood Region in state competition at the State Leadership Conference at The John Marshall in Richmond, April 10-12.

Summers reenlists

Marine Sgt. Maj. Benjamin Summers Jr., whose wife, Hattie, is the daughter of Dorothy Turner of Route 1, Box 132, Appomattox, Va., has reenlisted for three years while serving with Marine Medium Helicopter Squadron 263, Marine Corps Helicopter Air Station, New River, Jacksonville, N. C.

He joined the Marine Corps in September 1953.
